Objective

A concept artist & illustrator with a knack for diverse character design, props and backgrounds. Seeking a position that utilizes my skills and pipeline experience to create fun and interesting projects.

Experience

2020 - on-going

Freelance

2D Designer & Illustrator

- Private commissions artist. Take ownership of creating character, prop, costume and environment designs for fantasy and sci-fi projects; poster illustrations; cover and interior illustrations for independent fiction and non-fiction.
- Accommodate specific creative briefs and style requests.
- Research, review and present concepts. Communicate with clients to meet deadlines and deliver within budget.
- Employ a strong use of anatomy for realistic styles. Paint portraits of characters with diverse and appealing features.
- Volunteer artist and organizer for two zines with a focus on raising funds for LGBTQIA+ and hurricane relief charities.

2017 - on-going

Augur Magazine

Cover Artist

- Staff cover artist & illustrator for pro-rate Canadian science fiction/fantasy magazine, *Augur Magazine*.
- Collaborate with Augur staff to follow a design brief based on submissions per issue. Includes preliminary research, sketches, approval phases and finals. We design special characters, environments, and accessories per issue.
- Designed 9 issues and counting.

2017 - 2020

Brainrider Toronto, ON

B2B Account Manager

- Promoted from Marketing Coordinator to Account Specialist to Account Manager.
- Planned and executed marketing campaigns to achieve client goals and KPIs. Managed internal pipelines to ensure projects were delivered on-time and within budget. Presented deliverables to clients.
- Supported and mentored coordinators and specialists.
